Dear Mr. Garrett:

Please find enclosed a check in the amount of \$6,000.00. This is the balance that was due you.

Carie and I just want to say that we are so appreciative for all that you have done for us in helping get our business started. I am sure that we would have not been as far along as we are without your knowledge, expertise and connections with China. You have been a blessing to us and our business. Thank you again.

Sincerely,

Devida Montgomery
